Web Designing Assignment
Mini Project website
Bhavya Hirani F-35 U21CS100

About this project(ReadMe file):

THREE PAGES HAVE BEEN DESIGNED IN THIS WEBSITE:
1. The home page: index.html
2. The Electronics tutorial page: electronics.html
    to get to this page, hover above the Digital electronics image on the home page and click on "get started"
3. Book Notes page: books.html
    to get to this page, simply click on "book notes" in the navigation bar

The dropdown animation works but they are not yet linked to the respective web pages
#The footer contains working social media links and a working email link
